

ADVERTISING POLICY

Adopted: 7/12/2010

OBJECTIVE: Establish guidelines regarding advertising on MST buses and shelters.

I. POLICY

- 1.01** MST sells space inside and upon its buses, and at bus shelters for the display of commercial advertising. The purpose is to raise revenues, supplementary to those from fares and from tax proceeds, to be used to finance MST's operations. The display of advertising is solely for this purpose. It is not intended to provide a general public forum for purposes of communication, but rather to make use of property held in a proprietary capacity in order to generate revenue.
- 1.02** In order to realize the maximum benefit from the sale of advertising space, the program must be managed in a manner that will procure as much revenue as practicable, while ensuring that the advertising does not discourage the use of MST's transit system, does not diminish MST's reputation in the community it serves or the good will of its patrons, and is consistent with MST's principal purpose of providing safe, comfortable, efficient and affordable public transportation. To attain these objectives, MST's Board of Directors has established these regulations for the advertising displayed in and upon its buses.
- 1.03** In addition to the foregoing, noncommercial speech is excluded from advertising inside and upon the buses for the following reasons:
- a.** MST wishes to maintain a position of neutrality on political, religious, environmental, or other public matters and issues in order to promote its commercial enterprise;
 - b.** If advertisement inside and upon the buses is not restricted, the buses and passengers could be subject to violence;
 - c.** Preventing a reduction in income earned from selling advertising space because commercial advertisers may be dissuaded from using the forum commonly used by those wishing to communicate political or religious ideas or beliefs;

II. APPLICABILITY

- 2.01** This procedure is applicable to all District employees and all independent contractors who contract with MST, for the placement of advertisement in and upon MST's buses and shelters.

III. DEFINITIONS

- b. Shall not include any advertising that both offers to sell property or services and also conveys information about matters of general interest, political issues, religious, moral, or environmental matters or issues, or other public matters or issues, or expresses or advocates opinions or positions upon any of the foregoing.

- 6.01** Advertising space on MST's buses is sold through an independent Contractor. The Contractor shall comply with the foregoing policies, and review all advertising with reference to them. They shall refer all such advertising that falls or may fall into any of the categories defined above to MST's designated representative responsible for administering the advertising program, who shall determine whether the proposed advertising will be accepted. If the proposed advertising is rejected, the party or parties proposing it may request that this decision be reconsidered. Upon such request, MST's representative shall consult with MST's District Counsel and with its General Manager or the officer designated by him/her for this purpose. The General Manager or his/her designee, on the basis of such consultation, shall determine whether the proposed advertising will be accepted or rejected.
- 6.02** MST will co-operate with the party or parties proposing the advertising, and with the independent contractor through whom it has been proposed, in a reasonable effort to revise it in order to produce advertising that can be accepted and displayed consistently with the foregoing policies.
