Equal Employment Opportunity Complaint Process

Any person who believes that he or she, individually or as a member of a specific class of persons, has been subjected to employment discrimination on the basis of race, color, religion, national origin, sex (including gender identity and sexual orientation), age, genetic information, disability, veteran status, or any other characteristic protected by federal or state law, may file a written complaint with MST.

Filing a Complaint of Discrimination

1. Written complaints must be filed with MST's EEO Officer, Deanna Smith, within 365 days of the date of the alleged discrimination. (Complaint forms can be obtained from the EEO Officer or at <http://mst.org/about-mst/employment/>).
2. All complaints must be signed by the complainant or his or her representative.
3. The EEO Officer will provide the complainant, or his or her representative, with a written acknowledgement that the complaint has been received within 10 working days from receipt of written complaint.
4. The EEO Officer will attempt to facilitate an early resolution involving the complainant, the respondent, and supervisor(s) as necessary. If the alleged behavior is particularly egregious, an early resolution may not be appropriate.
5. The EEO Officer will determine if the complaint alleges behavior that meets the definition of equal employment opportunity discrimination. A complaint may not meet the definition of equal employment opportunity discrimination if:
 - a. The complaint appears on its face to be frivolous or trivial or does not allege behavior that rises to the level of equal employment opportunity discrimination.
 - b. The complaint alleges behavior that does not fall under the jurisdiction of any of the laws enforced the Equal Employment Opportunity Commission (EEOC) or the Department of Fair Employment and Housing (DFEH).
6. If the EEO Officer decides not to investigate the complaint, a Letter of Determination will be provided specifically stating the reason for the decision.
7. If the EEO Officer decides to investigate the complaint, a Letter of Determination will be provided stating the grounds for investigation.

Investigating the Complaint

1. Additional interviews may be conducted with the complainant and/or supervisors and witnesses as necessary.
2. After the investigation has been completed, a Report of Findings will be recorded in writing by the EEO Officer and referred to the Director of Human Resources and Risk Management (HR).
3. A Final Agency Decision will be made by the Director of HR, who will take appropriate disciplinary action as required. The complainant may not be advised of specific disciplinary action taken in response to the complaint.
4. The EEO Officer will send a Closing Letter to the complainant, summarizing the Report of Findings within 90 days of receipt of written complaint.
5. If the complainant is dissatisfied with the Report of Findings or the action taken by HR, he or she, or his or her representative, may file a complaint with the EEOC and/or the DFEH.
6. Complaints may also be filed separately or concurrently with the EEOC or the DFHE; however, MST encourages all complainants to attempt an early resolution through MST's internal process.

Records

Open or pending investigative files which include, but are not limited to, intake documents, notes, or reports; evidentiary documents, data, or information; and correspondence or notifications shall be retained strictly confidential by the EEO Officer.

Closed investigative files will be immediately filed in a secure, confidential location in electronic and/or paper format which will allow access for review by the Director of Human Resources, the General Manager/CEO, or MST's General Counsel.

The EEO Officer and the Director of Human Resources will maintain the closed investigative files for the duration of both the complainant's and respondent's employment, whichever ends later. All documentation will then be destroyed seven years from the final employment date, in accordance with MST's Records and Retention Schedule.
