

To: Board of Directors
From: C. Sedoryk, General Manager/CEO
Subject: Monthly Report – September 2016

Attached is a summary of monthly performance statistics for the Transportation, Maintenance, and Administration departments for September 2016 (Attachments 1-5).

For the quarter ending September 30, 2016 MST is meeting or exceeding nearly all relevant performance indicators. Two areas of concern include a decrease in the miles between preventable collisions and miles travelled between road calls. While there has been a slight increase in the number of preventable accidents the types of accidents have been minor in nature and staff is providing additional safety training and communications to our drivers. The decrease in miles travelled between road calls is directly related to the age and increasing obsolescence of the MST fleet. MST will have up to 27 new buses on order within the month that will arrive over the next 12 - 18 months wherein we anticipate seeing a substantial increase in mechanical reliability and a decrease in maintenance costs for our fleet.

September 8 - 14 I travelled to the American Public Transit Association annual conference in Los Angeles, CA where I participated in a number of committee meetings and educational workshops. September 9th I travelled to Long Beach, CA to participate in a meeting of the California Transit Association Executive Committee. September 27 - 29 I travelled to Washington DC with the California Transit Association federal legislative task force where over a twelve hour period I led a team of Northern California transit operators in 16 meetings with members of Congress, legislative staff and high ranking members of the Federal Transit Administration.

Subject: **Transportation Department Monthly Report – September 2016**

FIXED ROUTE BUS OPERATIONS:

System Wide Service: (Fixed Route & On Call Services):

Preliminary boarding statistics indicate that ridership increased by 2.95% in September 2016, (427,367), as compared to September 2015, (415,116). Fiscal year to date – passenger boardings have increased by 4.58% as compared to the same period last year.

Productivity increased slightly from September of last year (17.2) to 17.9 passengers per hour for September of this year.

Supplemental / Special Services:

September 2-5: MST provided special shuttle services for the **Monterey County Fair** transporting 14,639 passengers during this four (4) day event. This represents a 33.81% increase in boarding over last year's event, (10,940).

September 16-18: MST provided special shuttle services for the annual **Jazz Festival** held at the Monterey County fair Grounds transporting 12,329 passengers during this three (3) day event. This represents a 23.93% increase in boardings over last year's event, (9,948).

September 24-25: MST provided special shuttle services for the **Salinas International Airshow** transporting 1,245 passengers during this two (2) day event. This represents a 162.11% increase in boarding over last year's event, (475).

System Wide Statistics:

- Ridership: 427,367
- Vehicle Revenue Hours: 23,869
- Vehicle Revenue Miles: 388,327
- System Productivity: 17.9 Passengers Per Vehicle Revenue Hour
- One-Way Trips Provided: 34,215

Time Point Adherence: Of 133,297 total time-point crossings sampled for the month of September, the TransitMaster™ system recorded 20,666 delayed arrivals to MST’s published time-points system-wide. This denotes that **84.50%** of all scheduled arrivals at published time-points were on time. (See *MST Fixed-Route Bus ~ On Time Compliance Chart FY 2016.*)

Service arriving later than **5** minutes beyond the published time point is considered late. The on-time compliance chart, (attached), reflects system wide “on-time performance” as a percentage to the total number of reported time-point crossings.

Cancelled Trips: As listed below, there were a total of eight (8) cancelled trips for the month of September for both directly operated and contracted services:

Total Trips Provided: 34,215			
Category	MST	MV	%
Collision	1	0	12.50%
Employee Shortage	3	0	37.50%
Mechanical Failure	4	0	50.00%
Totals	8	0	100.00%

Documented Occurrences: MST Coach Operators are required to complete an occurrence report for any unusual incident that occurs during their work day. The information provided within these reports is used to identify trends, which often drive changes in policy or standard operating procedures. The following is a comparative summary of reported incidents for the month(s) of September 2015 and 2016:

Occurrence Type	September-15	September-16
Collision: MST Involved	7	8
Employee Injury	0	0
Medical Emergency	0	4
Object Hits Coach	3	1
Passenger Conflict	12	8
Passenger Fall	6	3
Passenger Injury	3	0
Other	2	3
Near Miss	0	0
Fuel / fluid Spill	3	1
Unreported Damage	3	1
Totals	39	29

CONTRACTED TRANSPORTATION SERVICES:

MST RIDES ADA / ST Paratransit Program:

Preliminary boarding statistics for the MST RIDES program reflect that for the month of September there were 10,436 passenger boardings. This denotes a 4.05% increase in passenger boardings from September of 2015, (9,987). Fiscal year to date – passenger boardings have increased by 5.20% as compared to the same period last year.

- Productivity for September of this year was at 1.87 passengers per hour decreasing from September of 2015, (1.94).
- For the month of September, 88.90 % of all scheduled trips for the MST RIDES Program arrived on time, decreasing from 89.50 % in September of 2015.

COMMUNICATIONS CENTER:

In September, MST's Communications Center summoned public safety agencies on *fifteen (15)* separate occasions to MST's transit vehicles and facilities:

Agency Type	Incident Type	Number Of Responses
Police	Passenger Incident / Other	6
EMS	Passenger Illness / Injury	9
	Hazardous Materials Incident	1

MST RIDES MONTHLY RIDERSHIP

Operations Summary Report

Fixed Route Services

September 2016

Service Delivered		Service Quality	
Ridership	427,367	On-time Time Points	112,335
Passengers / Vehicle Revenue Hour	17.9	Delayed Time Points	20,412
Revenue Miles	388,327.2	On-time Passenger Boardings	377,077
One-way Trips Operated	34,215	Percent On-time Boardings	88%

Systemwide Service:

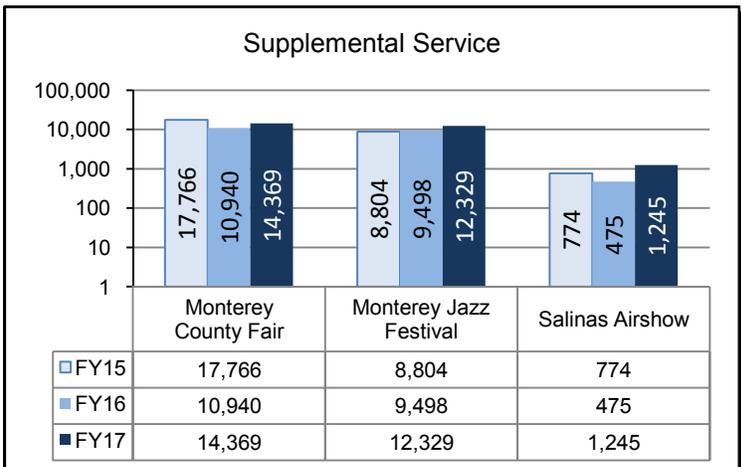

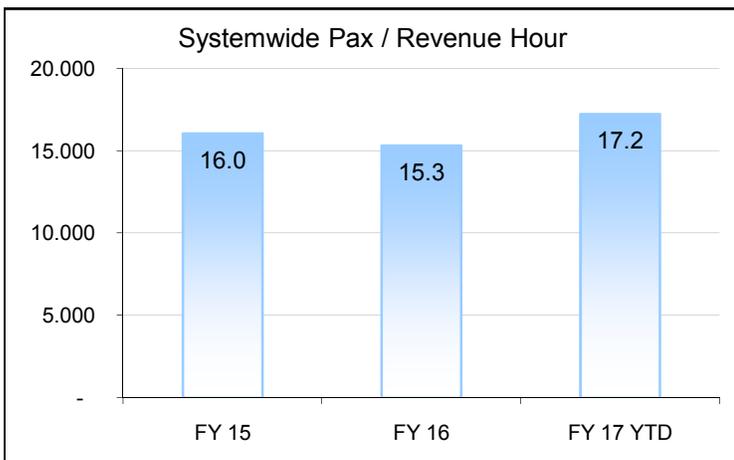

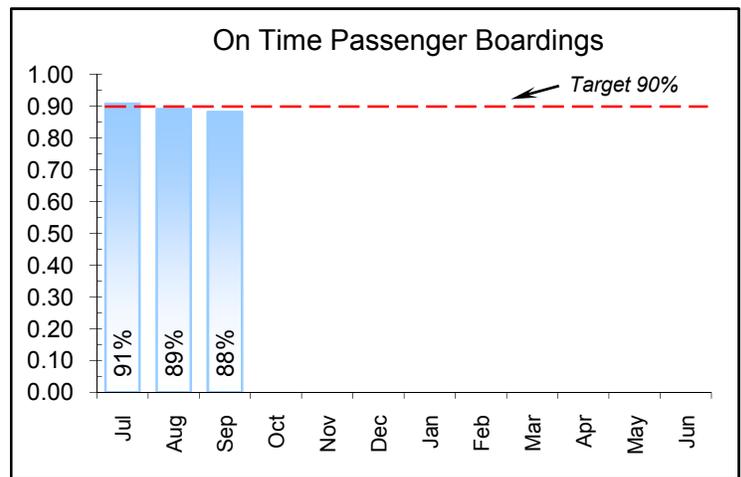

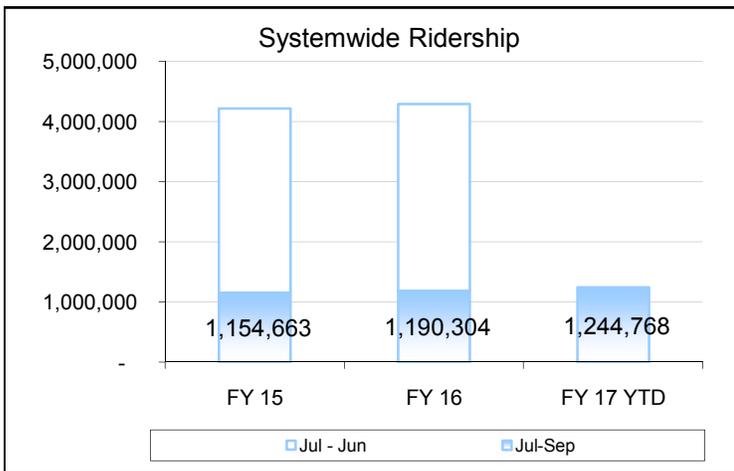

September boardings for 2016 increased 3.0% compared to 2015 and revenue hours decreased by 0.5%. The net result is that productivity, measured in passengers per hour (PPH), increased 3.5%, from 17.3 PPH last September to 17.9 PPH this month.

Seasonal Service:

Seasonal services transitioned from summer schedules (daily service) to winter schedules (weekends only) this month. Line 22-Big Sur reported 442 boardings compared to 700 boardings last September. The combination of the MST Trolley Monterey and the Aquarium Direct Trolley transported 15,274 passengers, a 13.1% increase over the 13,502 passengers transported last September on the MST Trolley Monterey alone.

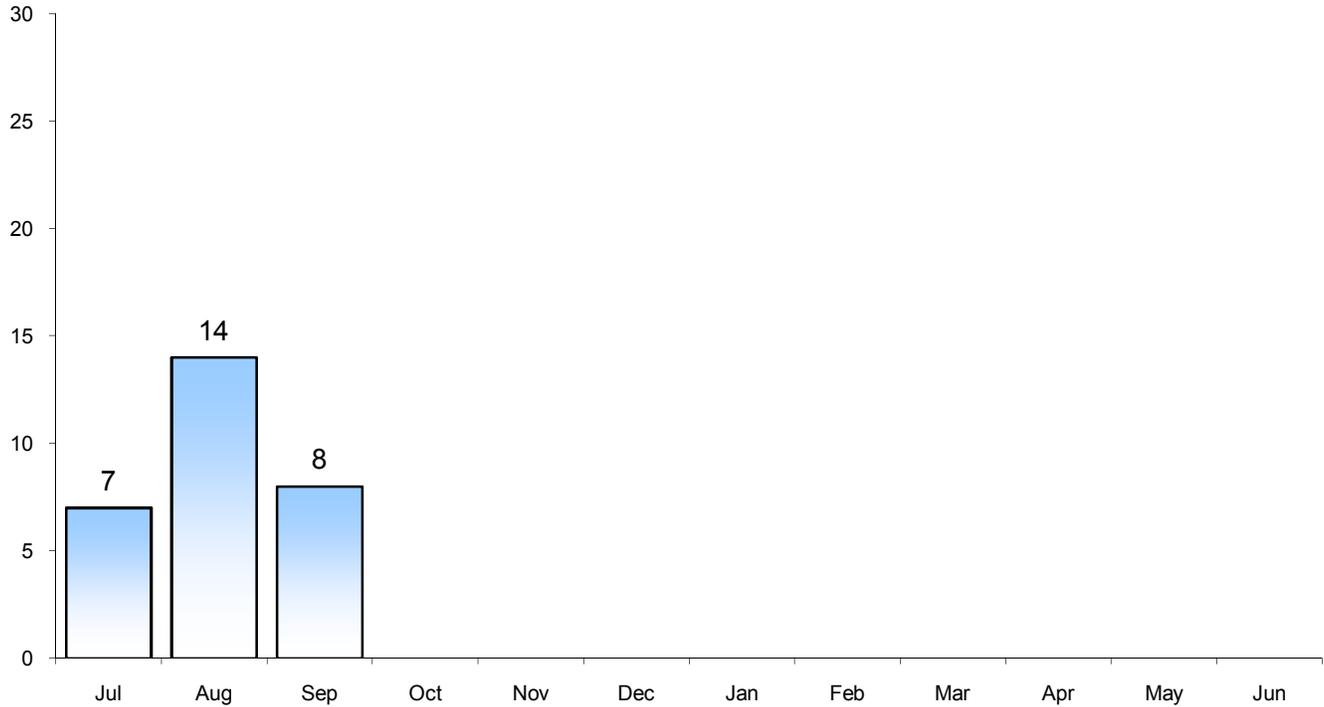

Supplemental/Special Service:

Supplemental service operated this month for three events. Service to the Monterey County Fair transported 14,639 passengers, service to the Monterey Jazz Festival carried another 12,329 passengers, and service for the Salinas Airshow reported 1,245 passengers.

Mobility Management Update – September 2016

The Mobility Department held its first Taxi ADA Certification Training (TACT) class resulting in 17 certified taxi drivers, and hired two new staff, Claudia Valencia and Erin Heatley for the Mobility Specialist position.

Mobility Specialist interviewed 64 RIDES applicants, filled 2 taxi voucher requests, and processed 1,142 taxi vouchers for taxi company reimbursement, and continues to work with website consultants to prepare for expanding taxi vouchers program in FY17.

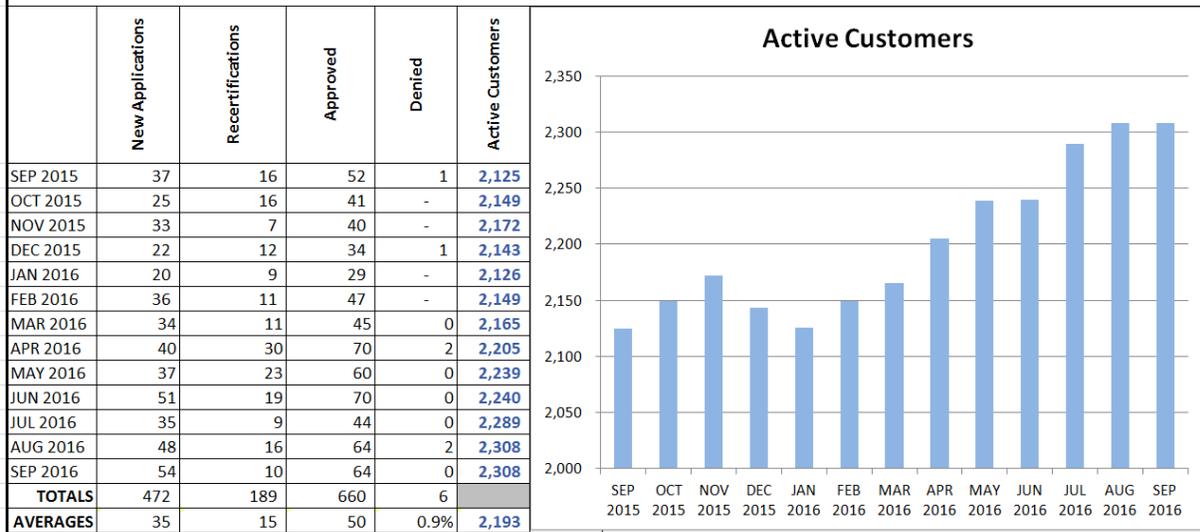

MST Navigators

Navigators returned from summer break and resumed activities including scanning, archiving taxi vouchers, and outreach.

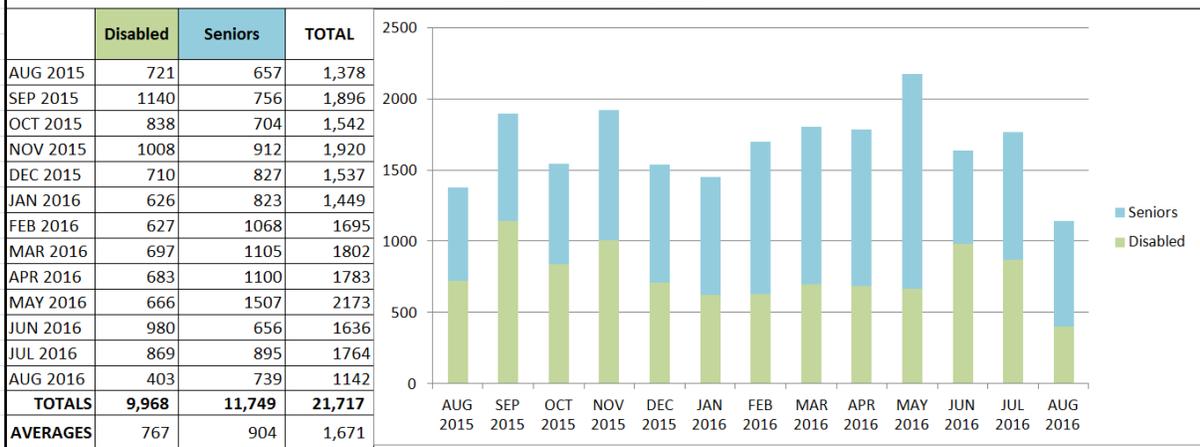

* Line 93 has been reinstated and now serves Glenwood Circle and Ryan Ranch.

Subject: Monthly Maintenance/Facilities Report for September 2016

This report summarizes the activities of the Maintenance and Facilities Departments as well as fuel prices during the past month.

FY17 Fuel Budget:	Average Fuel Price September 2016:	Average Fuel Price: FY2017
Diesel: \$3.10	\$1.86	\$1.81
Gasoline: \$3.20	\$2.16	\$2.12

Fleet Status:	Operating Cost Per Mile:	* Miles Between Major Mechanical Road Calls:
September 2016	\$0.87	17,940
FY2017	\$0.91	18,483 YTD
FY2016:	\$0.93	22,269 <u>YTD</u> Comparison
FY2015	\$1.01	21,306 Fiscal Year

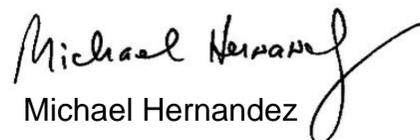

***Minimum:** 7,000 Miles; **Goal:** 15,000 Miles

Department Activities/Comments:

There were 17,940 miles between major mechanical road calls during the month of September. There were a total of 22 road calls, with 19 for major mechanical issues and four for minor/non-mechanical road calls. The highest number of road calls was for electrical issues (8).

Staff continued various site inspection efforts at a location under consideration for temporary operations and maintenance activities during the remodel of MST's Ryan Ranch facility.

During the month of August and September the electric trolley and WAVE charging system had various repair and upgrade work on the in-ground wireless charging system and on the trolley electronic systems.

Michael Hernandez

Finance Update

General Accounting/Accounts Payable

During the month of September, staff processed timely and accurate payments to vendors, recorded appropriate revenues, and prepared monthly financial reporting and analysis. Staff continues to work effectively to meet financial reporting deadlines. During the last week of September, Vavrinek, Trine, Day & Co. LLP (VTD) performed MST's financial audit for FY16.

Payroll

Routine changes and adjustments to payroll records were maintained along with filing of all federal, state, and retirement reports and payments on a timely basis. Payroll continued to provide hours and earnings reports upon request to MST departments and updated payroll schedules and rosters for new CO sign up

Grants

During the month of September, staff initiated internal meetings for the \$8 Million in federal grant awards and continued coordination with Caltrans and the consultant to advance grant documents for the \$10 million grant award for the TDA construction project.

Purchasing

During the month of September, Parts Staff was busy with managing inventory levels, and ensuring continued supplies. Inventory levels are remaining under \$200K and with the new buses added to the fleet, Parts staff is seeing a decline in the expenditure of

costly replacement components. September saw a 15% drop in inventory value. The decrease was due to costly components being placed on the buses and removed from inventory. Staff was also busy negotiating the agreement for the TDA construction contract with BlueScope, finalizing the review of the Bus on Shoulder RFP, and preparing a one-year renewal for DeLay & Laredo for legal services.

Information Technology Update

Staff monitored the hardware and software for the Trapeze Group TransitMaster (TM) Automatic Vehicle Location system. Staff ensured the Trapeze Enterprise Asset Management (EAM) vehicle maintenance system was operating as required. Staff continued to support the users of the Serenic Navision accounting/payroll system. Staff monitored the functionality of the customer service database. Staff worked with Giro in finalizing the Hastus system parallel testing period and the "Go-live" date.

Staff liaised with the County of Monterey Information Technology Department and Trapeze Group regarding the radio hardware to be installed to extend data/radio/cell coverage to include San Jose, Paso Robles, and other outlying areas of service. Staff monitored the virtual computer data systems.

Staff worked with AT&T in continuing the transition to a Voice Over IP (VOIP) telephone system at all MST sites.

Staff continued to support other MST staff members as needed, proactively ensuring that all were supported fully with their IT needs.

Marketing and Sales Update

Published news stories include: "MST stretches bus line southward" (The Californian, 9/1/16); "Monterey-Salinas Transit trolley service extends to weekends and holidays" (The Californian, 9/7/16); "Deeply discounted bus and parking passes" (Weekly Update from the Carmel Chamber of Commerce, 9/6/16); "Hage still see [sic] Salinas as a tourist destination by rail" (The Californian, 9/8/16); "MST weekend trolley to run year-round" (Monterey County Business Council's Friday Facts, 9/9/16); "Federal Transit Administration announced \$211 million in competitive grants for new buses and bus facilities" (APTA Legislative Alert, 9/9/16); "Federal taxpayers give \$8M to MST" (The Carmel Pine Cone, 9/9/16); "MST gets \$8 million in federal transportation grants" (Monterey County Herald, 9/9/16); "Farr secures \$8 million for MST" (The Californian, 9/10/16); "Central Coast transit agencies get more than \$13.2 million for new buses" (KCBX, 9/12/16); "Deeply discounted bus and parking passes" (Weekly Update from the Carmel Chamber of Commerce, 9/13/16); "Salinas 'hoods await traffic changes" (The Californian, 9/15/16); "Deeply discounted bus and parking passes" (Weekly Update from the Carmel Chamber of Commerce, 9/20/16); Quick Bites: Jacques Pépin incoming, huge hookups, new menus and more" (Monterey County Weekly, 9/20/16); "Holman Highway 68 Roundabout Update" (Monterey County Convention & Visitors Bureau Driving Business Member Update, 9/22/16); "Ciclovía let you walk or run to

better health" (The Californian, 9/27/16); "Deeply discounted bus and parking passes" (Weekly Update from the Carmel Chamber of Commerce, 9/27/16).

Press releases sent include: "MST bus service on Labor Day" (9/1/16); "MST service changes go into effect Saturday, September 3" (9/1/16); "MST Trolley service extended on weekends year-round" (9/7/16); "Monterey County Hospitality Association and Monterey-Salinas Transit team up to provide free transit passes to hospitality employees" (9/15/16); "Monterey-Salinas Transit offers real-time bus arrival information" (9/30/16).

Marketing activities: Coordinated MST bus service to Monterey County Fair and free entrance for MST employees; compiled and confirmed website updates for Sept. 3 service changes; ordered and received directional signage for bus drivers within Camp Roberts; updated signage design for MST-branded sign in LAB lobby after receiving comments from the building's HOA members; hung metal prints of board members in LAB board room; coordinated bus service for the Monterey Jazz Festival; ordered MST promotional mugs and pens; held brainstorming meeting with staff and prepared outline for annual report article topics; moved photo canvases from TDA walls to CJW training room and stored remainder for future facilities; conducted passenger photo shoot at Salinas Transit Center for South County marketing campaign; designed Weekend Super and Weekend Super Discount GoPasses; ordered metal prints for LAB lobby walls; reformatted display card imagery to meet Costco's new standards and ordered new cards for Sand City and Salinas warehouses; met with Aquarium staff to discuss upcoming Free to Learn trips; continued work on grant-funded South County marketing campaign to include surveying potential passengers; attended HWY 68 Roundabout Construction Project communications; managed MST website content, Facebook page, and Twitter account.

Community outreach: Set-up booth at Senior Day at the Monterey County Fair; set up booth at Veterans Day at the Monterey County Fair; set-up booth at Día del Grito in Salinas; set-up booth at Scholze Park Center Open House and Information Fair; made presentation to First 5 of Monterey County and had social service staff from various agencies in attendance ride MST OnCall in Greenfield; presented to two California Highway Patrol workshops for seniors in Salinas and Pebble Beach.

Planning Update

During the month of September, staff continued to monitor the revenues and expenses for the military partnerships after implementation of the July 2014 Presidio reductions that were required because Congress allowed the expanded federal transit benefit to be reduced by nearly 50% effective December 2013. Revenues received from the federal transit benefit have stabilized and increased during recent months so that revenues are matching expenses and have fully made up for previous losses. During the month the Presidio, with assistance of MST Business Development Transit Planner, Mike Gallant, continued its targeted recruitment efforts to maximize military and civilian participation in the federal transit benefit program. This effort is intended to stabilize and grow revenues

for MST to continue operating the military-funded routes. Fortunately, Congress voted in December to raise the transit benefit again on a permanent basis. The benefit was raised for the Presidio participants on March 10, 2016. As such, staff will be coordinating with the Presidio to purchase some bus stop and IT improvements for passengers in the near future.

After many months of planning, service to Camp Roberts in southern Monterey County began on September 5. Funded by a federal rural transit grant and the military's federal transit benefit, the new line 85 provides military service members and the public with a bus route from Templeton to Fort Hunter Liggett with stops in San Miguel, Paso Robles, and Camp Roberts.

Staff continued participation in coordination meetings with the City of Monterey while the Highway 68 Roundabout began construction. The project will impact traffic conditions throughout the area as well as MST routes serving the Monterey Peninsula.

Throughout the month, staff continued participating in meetings with various local agencies, including the Transportation Agency for Monterey County, Association of Monterey Bay Area Governments, Salinas Valley Chamber of Commerce Government Relations Committee, the Monterey County Hospitality Association, Monterey County Business Council, and the Fort Ord Reuse Authority.

FY 2017 Project Action Plan

1. Complete move-in and dedication of 19 Upper Ragsdale Administration facility. Jul 2016
Status: Move in completed. Staff is still working on signage and parking issues.
2. Complete negotiations of ATU and MSTEAs labor agreements. June 2017
Status: ATU contract negotiations are ongoing. MSTEAs agreement negotiations will begin in Spring 2017.
3. Begin construction of Monterey Bay Operations and Maintenance Facility. Jan 2017
Status: Construction groundbreaking set for December 12, 2016
4. Develop strategy for replacement/expansion of Salinas maintenance facility Jun 2017
Status: Not started.
5. Conduct Board Strategic Planning Workshop. Jan 2017
Status: Competitive quotes have been received and a facilitator selected. Meetings with facilitator in advance of the workshop have been scheduled.
6. Secure grants to fund south county maintenance facility project including environmental documentation, design, permitting, property acquisition, and construction. Jun 2017
Status: Received \$4.2M federal state-of-good-repair grant that with Department of Agriculture financing will allow MST to construct facility once all environmental documentation, design, permitting processes are completed.
7. Implement staff structure reorganization to support long term strategy. Feb 2017.
Status: Active recruitment and interviewing occurring for new positions.
8. Implement new projects from Measure Q transportation improvement plan as funding allows. Jun 2017
Status: Hired mobility coordinator to act as liason to member of local veterans communities. Staff continues to work on an interactive voice response system for MST RIDES passengers to go live during Winter 2017.
9. Implement upgrade of Hastus software, and implement intelligent voice recording system. Mar 2017
Status: Upgrade of HASTUS dispatching software complete. Fixed Route IVR system implementation ongoing with implementation scheduled for Winter 2017.

10. Commence Feasibility Study of Bus Operations on State Route 1 Shoulders and Monterey Branch Line in coordination with Santa Cruz Metro. Mar 2017

Status: Procurement of consultant services completed in October with first stakeholder meeting to take place November 2017.

MST stretches bus line southward

MacGregor "Goya" Eddy, For The Salinas Californian 2:28 p.m. PDT September 1, 2016

(Photo: Provided)

Now boarding for Templeton, Paso Robles, Camp Roberts, Fort Hunter Liggett and parts south. On Saturday, Monterey-Salinas Transit Line 85 debuts as an expansion of bus service for south Monterey County and beyond. The new line marks the farthest MST has ever traveled to the southern reaches of the county. In fact, Templeton, a town of about 7,600 situated five miles south of Paso Robles in San Luis Obispo County, is now a stop on the new MST line.

"I think it is great," said Tony Barrera, a Salinas City Councilman and member of the MST Board of Directors.

"It will help people get to medical appointments and take family trips. The MST staff has helped stretch our dollars to expand service," said Barrera.

[THE SALINAS CALIFORNIAN](#)

[MST gets kudos from riders](#)

<http://www.thecalifornian.com/story/news/local/2016/08/02/monterey-salinas-transit-gets-kudos-riders/87979304/>

The costs of the new Line 85 are partially met by a federal Rural Transit grant designed to serve areas outside of an urban boundary with a population of 50,000 or less. Other funding was provided by the US military because the new line will serve riders from Fort Hunter Liggett and Camp Roberts.

"This new bus line provides needed transportation options for south county residents," said Simon Salinas, a member of the Monterey County Board of Supervisors. Salinas represents District 3 which is largely south county. For some residents, he said, the bus is the only way to access services in the north, such as in Salinas.

With the arrival of Line 85, MST will retire Line 83, beginning Saturday. The areas served by Line 83 will now be served by the expanded Line 85.

Some other minor changes MST is making beginning on Saturday include:

- The new Riders Guide will be available at transit centers and on buses. The guides are free until Oct. 2.
- If you live or work on the Monterey Peninsula you can get a discount on a bus pass during the construction of the Highway 68- Holman Highway roundabout.

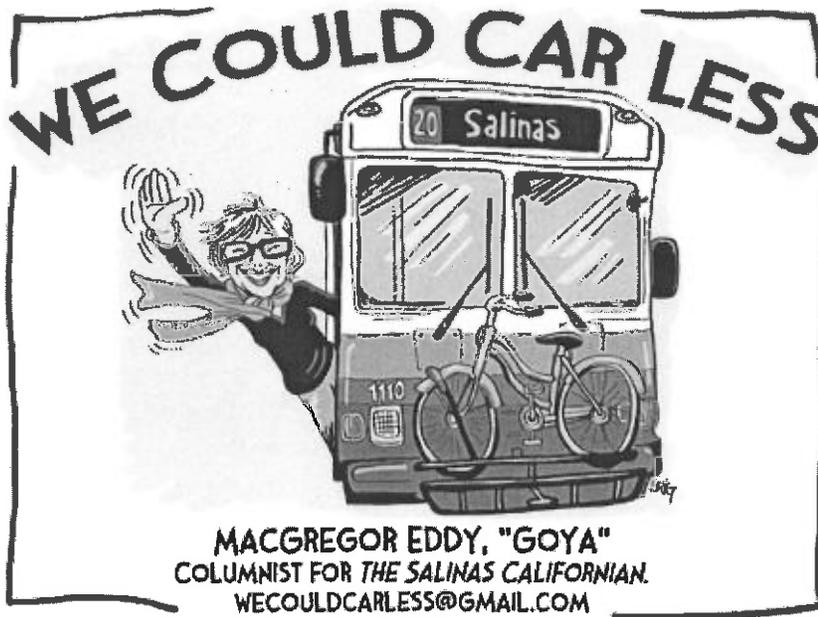

Longest bus ride: The existing MST south county bus service already holds a national record for distance. "Monterey-Salinas Transit's Line 86 is the longest public transit bus route operating in regular revenue service in the entire country," said Zoe Shoats, marketing manager for MST. "The route travels daily between King City and San Jose, 120 miles each way. The distance is roughly the same as traveling between Washington, D.C., and Philadelphia." MST's long distance lines such as 86 provide free WiFi for riders. A charter-style bus with comfortable seats is used for these longer bus rides. Luggage and bicycles are stored underneath the bus.

Bike safety classes: Four people have signed up for the bicycle safety and skills training offered on Saturday, Sept. 10 from 9 a.m. to 1 p.m. at CSU Monterey Bay. Another four are enrolled in the Sept. 24 class at Hartnell College. Sign up for a class online at <http://bit.ly/bikeSAFE> or call 831-775-0903. In May, most of the bike safety and skills classes were cancelled due to lack of enrollment.

The bike skills class is a prerequisite to becoming a League of American Bicyclists Cycling Instructor, or LCI. LCI's can teach children and adults how to ride their bikes safely and legally. An LCI seminar will be held at CSU Monterey Bay on October 21-23. To register go to [:bit.ly/bikeSAFE](http://bit.ly/bikeSAFE) or call 831-775-0903; online go to: www.tamcmonterey.org.

TAMC committee: The Transportation Agency for Monterey County Bicycle and Pedestrian committee will meet at 6 p.m. Wednesday at 1 Sylvan Way, Sand City. Online, see the agenda at <http://www.tamcmonterey.org> or call 831-775-0903

Electric car day: From noon to 3 p.m., Sat., Sept. 17 electric vehicles will be on display in celebration of National Drive Electric Day. There will be a test drive area and a model electric car parade featuring local children. The event is set at the Del Monte Shopping Center in Monterey. This event sponsored by Monterey Bay Electric Vehicle Alliance and Ecology Action. Information: Call 831-883-7576 or go online to: mbeva.org.

Proposed City Event Permit Fees

We want to alert everyone about the new fees being proposed by the City of Carmel-by-the-Sea. They have already been presented once and will be presented in a final reading at the city council meeting on Tuesday, September 13 to be implemented by November 12. [Here is the link to the fee list.](#) We think this is important for you to pay attention to if you work with any kind of event or have family or business events on Carmel Beach, on the street or in a city facility. There are proposed fee increases for beach special events, park special events, street closures, film permits, Forest Theater rental, and others. There are also proposed increased fees for planning and building in almost every category. Please help us get the word out to those who would want to know of this.

The city council meeting is on Tuesday, September at 4:30 at city hall on Monte Verde.

If you know of a business that would benefit from the exposure, promotion and support of the Carmel Chamber, contact Lee, Director of Operations at llarrew@carmelchamber.org.

A temporary stop sign that was installed on the Holman Highway 68 on-ramp to northbound Highway 1 was removed today, approximately a week ahead of schedule. The sign had been installed as part of the traffic control and safety measures for the first stage of night work. Although there is still night work scheduled for next week, the construction team determined the work could be done safely with further need of the stop sign, resulting in it being removed ahead of schedule.

Night time lane closure on the Highway 68 Bridge over Highway 1 between 8 p.m. - 6 a.m.

- Construction work will require the night-time closure of Westbound Highway 68 going towards CHOMP/Pacific Grove at the Bridge over Highway 1. On the nights of Tuesday, September 6 and Wednesday, September 7.
- Coming from Carmel on northbound Highway 1, drivers will need to detour to Munras Avenue and turn around. Large trucks will need to detour to Aguajito road in Monterey and turn around.
- More information, including a detour map, can be found at the [project webpage](#).

Night time full (both directions) closure of the Highway 68 Bridge over Highway 1 September 8.

On the night of September 8, construction will require the complete closure of the Highway 68 bridge over Highway 1 between 7 p.m. and 6 a.m.

- Coming from Carmel on northbound Highway 1, drivers will need to detour to Munras Avenue and turn around, and large trucks will need to detour to Aguajito road in Monterey and turn around.
- Coming from CHOMP/Pacific Grove on Holman Highway 68 drivers will need to detour to Carpenter Street in Carmel and turn around, large trucks will need to detour to Ocean Avenue in Carmel and turn around near Carmel High School via Carmel hills Drive.
- More information, including a detour map, can be found at the [project webpage](#).

Caltrans Maintenance Work Nearby

- Caltrans will be performing daytime guardrail repair along Highway 1 from Munras Avenue to Casa Verde Way.
- Caltrans will also be performing night-time electrical work along Highway 68 in Pacific Grove from Morse Drive to Piedmont Avenue.
- More information about this work can be found in the [Cone Zone Report](#).

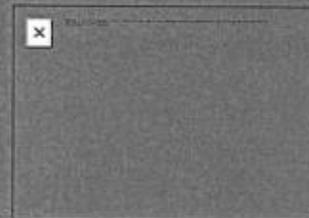

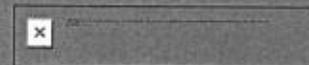

Deeply Discounted Bus and Parking Passes

Monterey-Salinas Transit trolley service extends to the weekends and holidays

The Californian 9:41 p.m. PDT September 7, 2016

(Photo: Joe Truskot)

Public transportation is expanding in Monterey with [Monterey-Salinas Transit \(MST\)](http://www.mst.org/) ([//story/news/local/2016/08/02/monterey-salinas-transit-gets-kudos-riders/87979304/](http://story/news/local/2016/08/02/monterey-salinas-transit-gets-kudos-riders/87979304/)) soon operating its free MST Trolley year-round. The extended service is funded by the city of Monterey.

Starting Sept. 10, the Trolley will operate from 10 a.m. to 7 p.m. on weekends until Memorial Day, when it will resume daily summer service. In addition, the MST Trolley will run on Veterans Day, the day after Thanksgiving, Martin Luther King Jr. Day, and Presidents' Day.

THE SALINAS CALIFORNIAN

Hage still see Salinas as a tourist destination by rail

MACGREGOR EDDY 6:28 p.m. PDT September 8, 2016

(Photo: Provided)

Jim Hage arrived in California as a boy, when his family fled the dust bowl in 1937. "It was so green," Hage said. "It had not rained in the midwest for years."

Hage, now an energetic 91, loves Salinas and loves to travel by train. Hage has taken trains in places all over the world.

"I went from Vancouver to Nova Scotia through the Canadian Rockies" he said, "and from Jo'burg to Capetown in South Africa. Amazing trips."

THE SALINAS CALIFORNIAN

We Could Car Less: Rail, bus rides you may not know about

(<http://www.thecalifornian.com/story/news/local/2014/08/03/car-less-rail-bus-rides-may-now-know/13553767/>)

Hage is dedicated to promoting tourism to Salinas and wants to show the world that it is a good city to visit.

"I wish that the people who come through Salinas by train did not have to see trash and junk," said Hage, referring to the view of Salinas that Amtrak passengers get from the train windows. "Can we get the businesses to remove the old tires? I have spoken to the city about this problem."

Unfortunately, the industrial lots along the tracks are privately owned and not subject to city jurisdiction. Since no one wants railroad tracks in the residential areas, many views of cities from the train are not pretty.

Hage worked on the Salinas Valley Chamber of Commerce's Tourism Task Force with chair Trish Triumpho-Sullivan, a project that resulted in the Salinas Welcome Center.

"I admire Jim Hage," said Jim Pia, Salinas assistant city manager, "and I commend his dedication to making Salinas a tourist attraction."

Danny Mendez, 18, is a senior at North Salinas High and is one of the volunteers organizing the Salinas Ciclovía that will be held Oct. 9. Mendez participated in last year's Ciclovía, an event that closes East Alisal Street to vehicle traffic for one day of non-motorized activities. Salinas is the only city in Monterey County to hold this car-free festival, which is becoming popular all over the world.

Mendez has an Monterey-Salinas Transit (MST) bus pass and loves it.

"I can go anywhere," Mendez said, "and the timing is pretty good. I don't need to have a ride to get around, I just get on the bus."

Mendez advocates bicycles and buses as inexpensive alternatives to cars for youth.

These two seniors (Hage is a senior citizen and Mendez is a high school senior) are both active in civic affairs and concerned about the future of Salinas. Hage is an advocate for train travel and Mendez supports using the bus. With almost three quarters of a century difference in age, Danny Mendez and Jim Hage set a good example for the rest of us.

Federal Transit Administration Announced \$211 Million In Competitive Grants For New Buses and Bus Facilities

On Thursday, the Federal Transit Administration (FTA) announced \$211 million in competitive grants for new buses and bus facilities. The grants will be distributed to 61 projects in 41 states to replace, rehabilitate, and purchase buses and related equipment, and construct bus-related facilities. The funding for this program was significantly increased under the recent Fixing America's Surface Transportation (FAST) Act, signed into law last December. The Bus and Bus Facilities Competitive Grants Program was authorized \$268 million in FY 2016 under the FAST Act, which includes \$55 million for a new No/Low Emissions program. For a full list of the recipients, please visit the FTA website [here](#).

The U.S. Department of Transportation's Federal Transit Administration (FTA) announced the selections for its Bus and Bus Facilities Grant Program that will help provide more modern, reliable bus service for transit riders across the country. Sixty-one projects in 41 states, the Virgin Islands, and Indian Country will receive a share of nearly \$211 million to replace, rehabilitate, and purchase transit buses and related equipment, and construct bus-related facilities.

"The Obama Administration is committed to improving transportation options that connect people in rural and urban areas across the country to opportunities," said U.S. Transportation Secretary Anthony Foxx. "These grants will improve mobility for thousands of transit riders who depend on bus service every day, expanding access to employment, education, healthcare, and other important services in their communities."

Selected projects include those that replace, rehabilitate, and purchase buses and related equipment as well as projects to purchase, rehabilitate and construct bus-related facilities, such as buildings for bus storage and maintenance.

"FTA is proud to partner with state, local and tribal authorities to invest in projects that will help improve the condition of our nation's public transportation bus fleets," said FTA Acting

Administrator Carolyn Flowers. "Maintaining our public transit systems in a state of good repair is vitally important to meet the needs of today's transit riders and a growing population."

Demand for FTA's Bus Program far exceeded available funds, as FTA received 284 applications totaling \$1.64 billion from 236 applicants in 47 states. Project proposals were evaluated based on criteria outlined in the Notice of Funding Opportunity, with priority given to projects that address significant repair and maintenance needs, improve the safety of transit systems, include advanced technologies to connect bus systems with other networks, and support the creation of ladders of opportunity.

The Fixing America's Surface Transportation (FAST) Act, passed by Congress and signed into law by President Obama in December 2015, authorized FTA's competitive Bus and Bus Facilities Grant Program through 2020.

Projects selected to receive 2016 Bus Program funding:

AK - \$12,800,000 - Fairbanks North Star Borough

The Fairbanks North Star Borough will receive funding for the renovation and expansion of its transit facility to accommodate its full bus fleet indoors for maintenance, inspection and storage.

AL - \$405,000 - Birmingham-Jefferson County Transit Authority

The Birmingham-Jefferson County Transit Authority will receive funds to purchase a new Compressed Natural Gas (CNG) bus for service in the Birmingham, Alabama region.

AR - \$1,653,498 - Central Arkansas Transit Authority (dba Rock Region METRO)

The Central Arkansas Transit Authority in Little Rock will receive funding to purchase CNG buses to replace vehicles that have met their useful life.

AZ - \$2,202,522 - Northern Arizona Intergovernmental Public Transportation Authority

The Northern Arizona Intergovernmental Public Transportation Authority will receive funding to purchase hybrid-electric diesel buses to expand service in Flagstaff on the Mountain Link Line, which links downtown Flagstaff with Northern Arizona University.

AZ - \$105,000 - Yavapai-Apache Nation

The Yavapai-Apache Nation in the Verde Valley region of Arizona will receive funding for the

purchase of a 14-passenger van to expand transit service, and for the construction of bus stop shelters.

CA - \$8,284,000 - San Joaquin Regional Transit District

San Joaquin Regional Transit District will receive funding to replace its aging bus fleet with new hybrid diesel-electric buses.

CA - \$10,500,000 - Los Angeles County Metropolitan Transportation Authority

The Los Angeles County Metropolitan Transportation Authority (LACMTA) will receive funding for the replacement of buses that have met their useful life with CNG

buses to operate in the South Bay LA area. LACMTA will also install related CNG infrastructure and train workers on the new technology.

CA - \$3,687,100 - Monterey-Salinas Transit

Monterey-Salinas Transit will receive funding for the replacement of buses which have met their useful life, and for a National Training Institute (NTI) workforce development training for workers to learn the new technology.

CA - \$695,088 - Sacramento Regional Transit District

Sacramento Regional Transit District will receive funding to replace buses that have met their useful life with new CNG-fueled buses.

CA - \$4,280,512 - California Department of Transportation

The California Department of Transportation will receive funding to construct a new maintenance facility in the Monterey-Salinas area, which does not currently have one.

CA - \$4,400,000 - Marin County Transit District

Marin County Transit District will receive funding for the design and construction of a new vehicle maintenance and storage facility and an innovative training course on the maintenance and operation of electric and hybrid bus transit vehicles.

'Scoffing' suspect convicted in hit-and-run

A **SCOFFING** suspect was convicted Tuesday for the hit-and-run that left a young girl hospitalized and in critical condition. The defendant, 21-year-old Michael Joseph McQuinn, was charged with driving while intoxicated and leaving the scene of an accident.

On Aug. 12, 2015, McQuinn was driving his 2010 Mercedes-Benz SUV on Highway 101 near the intersection with Highway 101. He was driving with a blood alcohol content of 0.15 percent, which is above the legal limit of 0.08 percent. He was driving at a speed of 45 miles per hour when he struck the victim's car.

McQuinn fled the scene and was arrested on his own admission of guilt. He was charged with driving while intoxicated and leaving the scene of an accident. He was arrested on his own admission of guilt.

The case was brought to court on the charge of driving while intoxicated and leaving the scene of an accident. The case was brought to court on the charge of driving while intoxicated and leaving the scene of an accident.

Improvisational troupe offers unscripted fun

SEEMINGLY ANYTHING could happen when the improvisational comedy troupe, the West Coast Improv, takes the stage every Sept. 8 at the Cherry Center for the Arts.

Because their performances are unscripted — the actors go with what happens along the way — the audience can anticipate a variety of surprises, fun and laughs.

A description of the troupe reads: "a company of actors, a beer, a bag and a lot of ideas in one another's mouth as food is liquid material." Whether casual, professional, stage, television and radio performers find their way into a West Coast Improv show, the description reads.

West Coast Improv is a troupe of actors, a beer, a bag and a lot of ideas in one another's mouth as food is liquid material. The troupe is a troupe of actors, a beer, a bag and a lot of ideas in one another's mouth as food is liquid material.

Federal taxpayers give \$8M to MST

OUTGOING CONGRESSMAN Sam Farr announced Tuesday that he helped secure \$8 million in federal funding for Maricopa Valley's MST.

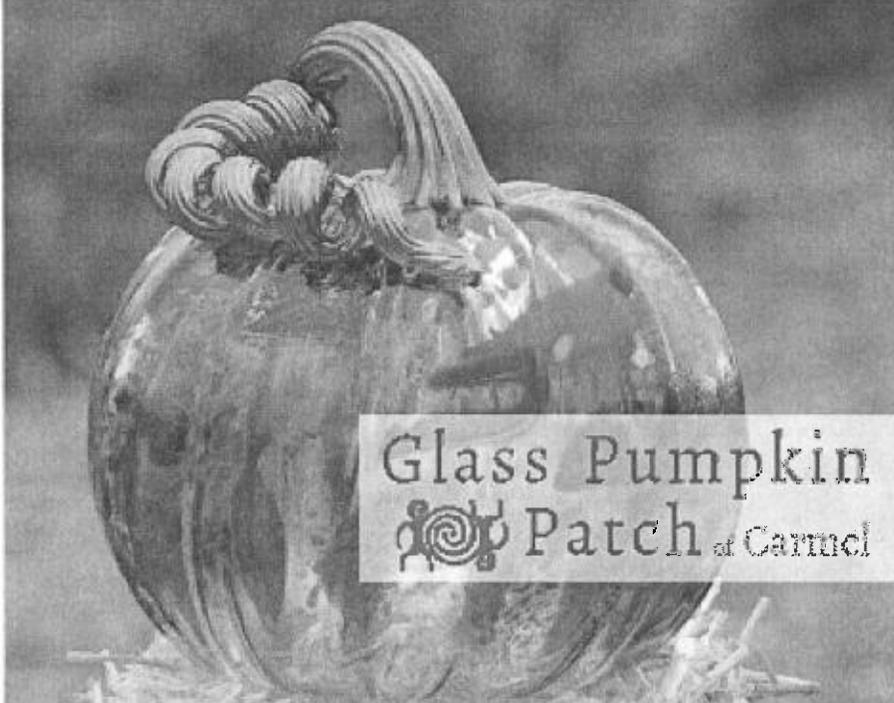

Farr, who is retiring at the end of his term, said MST received more funding to support the program. The money will be used to build a maintenance facility in King City, purchase new equipment to replace a damaged forklift, purchase new equipment, and to support training.

Farr said he is proud to help support MST in its efforts to provide safe, consistent, and affordable public transit throughout the Maricopa Valley region. MST serves Maricopa and King City, and is a member of the Maricopa Valley Transit Authority.

MST gets \$8 million in federal transportation grants

Farr-backed effort will help pay for King City maintenance facility, new buses

By Jim Johnson, Monterey Herald

Friday, September 9, 2016

Monterey >> Backed by a letter of support from Rep. Sam Farr, Monterey-Salinas Transit has received two federal grants totaling nearly \$8 million, including funding earmarked for a new bus maintenance and operations facility in King City.

Farr, D-Carmel, sent a letter to the U.S. Department of Transportation in May backing the MST grant application, which resulted in awards totaling \$7.967 million.

“Public transportation provides a vital link for many on the Central Coast,” Farr said in a prepared statement. “Investing in public transportation serves area residents and boosts travel and tourism while reducing our carbon footprint.”

In addition to the maintenance facility designed to help expand MST’s services in south Salinas Valley, the grant funding will help purchase nine new full-size buses to replace older buses either 12 years old or have reached 500,000 miles, and workforce development training through the National Transit Institute, as well as the Southern California Regional Transit Training Consortium.

MST general manager Carl Sedoryk said the transit system appreciated Farr’s support on behalf of securing the grant funding, which he said was “critical in helping MST in our efforts to provide safe, convenient and affordable public transit throughout the Monterey Bay region.”

Jim Johnson can be reached at 831-726-4348.

Lucius releases tax return

Amy Wu, The Californian 5:03 p.m. PDT September 10, 2016

(Photo: Jay Dunn/The Salinas Californian)

Casey Lucius, the Republican candidate for the 20th Congressional District seat being vacated by Sam Farr, called out for complete candidate transparency by releasing her 2015 tax returns for 2015 and her House of Representatives candidate financial disclosure.

"Donald Trump continues to refuse to release his tax returns, and the Clinton Foundation failed to release information on donations from foreign governments while Hillary Clinton was Secretary of State," Lucius said in a news statement.

"As potential representatives of the people it is our responsibility to be true, open, and transparent to the citizens. Hiding secrets from the public is unacceptable and foreshadows things to come."

Lucius's total income was \$178,307 and her total payment for federal tax was \$29,598 and \$16,869 in state and local tax.

"I call on my opponent to step up and do the same," Lucius said of the 2015 tax returns.

Lucius's opponent is Democrat Jimmy Panetta. Based on the June 7 primary election, Panetta won 70.5% of the vote and Lucius placed second with 19.8%.

In response, Panetta said: "As public servants, we are open to it even though it's not standard practice in a congressional race. We'd be happy to get them together."

Measure Z advocates plan rally today

Members of the "Yes on Measure Z-Protect Our Water" campaign are holding a rally and the grand opening of their headquarters today. The rally starts at 9:30 a.m. at the campaign headquarters at 521 S. Main St. [Measure Z, an anti-fracking measure, is one of 17 local ballot measures \(/story/news/2016/08/26/nov-8-ballot-thick-local-measures/89443730/\)](http://story/news/2016/08/26/nov-8-ballot-thick-local-measures/89443730/) for the Nov. 8 General Election. Local supporters include Dr. Laura Solorio and Martin Herrera, a Salinas Valley Prison Representative and member of the Monterey Bay Central Labor Council.

Farr secures \$8 million for MST

Congressman Sam Farr (D-Carmel) announced that Monterey-Salinas Transit (MST) received two federal grants totaling \$7.9 million from the U.S. Department of Transportation. The funds will be used to construct a maintenance facility in King City, and buy new buses for long distance routes and for employee training. Rep. Farr sent a letter to the U.S. Department of Transportation in May 2016 in support of MST's grant application.

Stone to hold town hall meeting on business

Assemblyman Mark Stone (D-Monterey Bay) is hosting a town hall meeting on business at the Pacific Grove Museum of Natural History on Sept. 28 from 8 a.m. to 9 p.m. Stone represents the 29th Assembly District, which includes portions of Santa Cruz, Santa Clara, and Monterey counties.

Central Coast transit agencies get more than \$13.2 million for new busses

By KCBX NEWSROOM • 15 HOURS AGO

[Twitter \(http://twitter.com/intent/tweet?url=http%3A%2F%2Fwww.tinyurl.com%2F16houhg&text=Central%20Coast%20transit%20agencies%20get\)](http://twitter.com/intent/tweet?url=http%3A%2F%2Fwww.tinyurl.com%2F16houhg&text=Central%20Coast%20transit%20agencies%20get)

(http://mediad.publicbroadcasting.net/p/kcbx/files/styles/x_large/public/201609/sbmt_d_bus.jpg)

An MTD bus at UCSB in 2007

WIKIPEDIA

Central Coast transit agencies will get more than \$13.2 million in federal grants to upgrade public busses in Monterey, San Luis Obispo, and Santa Barbara Counties.

The Santa Barbara Metropolitan Transit District is getting the largest chunk of that money with a grant of more than \$5.6 million.

The agency said Monday that it will use that money to replace 14 of its oldest busses with brand new versions that are more environmentally-friendly.

Steve Maas helped write up the proposal for the district and told KCBX they're currently looking into what type of new busses would best serve the community.

"We are not quiet certain yet if we'll be buying a mix of diesel and electric busses with this grant or if we'll be going all one way or the other," said Maas. "That's yet to be determined based upon our fleet need and the range electric busses can go and so on."

Maas said the busses being replaced were made in 1998 and each have more than 600,000 miles of use.

SLO RTA received four million dollars through this grant process and Monterey Salinas Transit will get nearly \$3.7 million.

This is the first year for what is now an annual federal program that will remain in place through at least 2021.

City Council Tonight!

The Carmel City Council will be meeting tonight, Tuesday, at 4:30pm at City Hall on Monte Verde between Ocean and 7th. As reported last week, the council will be considering adopting an increased fee schedule for most fees in the areas of administrative services, library, public safety, community planning and building and public works. The fee schedule for community activities, which includes fees for events, is being postponed to a future meeting. Anyone is welcome to attend.

Holman Highway 68 Roundabout - Smooth, Safe & Simple

Daytime Delays

Starting this week, crews will begin the earthwork stage of construction, and construction activity will be more noticeable from the road as you drive through the construction zone. During construction, expect increased delays traveling through the area of Holman Highway 68 and Highway 1. Plan on giving yourself an extra 10-15 minutes.

Night time flagging at the intersection, and a lane closure on the southbound Highway 1 on Sunday night, 8 p.m. - 6 a.m.

- Construction work will require night-time traffic control with flagging through the intersection of Holman highway 68 and the southbound Highway 1 on and off ramps.
- Additionally, crews will be installing k-rail along the shoulder of southbound Highway 1 under the Holman Highway 68 over crossing. This work will require closing the right lane of southbound Highway 1 under the over crossing from 8 p.m. to 6 a.m.

Entrance to CHOMP on Wednesday & Thursday

Caltrans Maintenance crews will be removing dead pine trees near the entrance of CHOMP along the eastbound lane (towards Highway 1) of Highway 68 on Wednesday, September 14, and Thursday, September 15.

- Work hours are 9 a.m. to 1 p.m.
- The work will require traffic control with one-way flagging.
- Motorists can expect delays of 15-20 minutes.

Deeply Discounted Bus and Parking Passes

To help reduce congestion during construction of the Holman Highway 68 Roundabout, Monterey-Salinas Transit will be selling deeply discounted bus passes to individuals who live or work in the area affected by the construction zone. The bus pass is a great way to avoid traffic while saving on the cost of driving your car.

In conjunction with the bus pass, the City of Monterey will provide deeply discounted parking at the Downtown Garages. When a customer shows their MST bus pass, they can purchase 20 daily entries to the parking garage for \$20, which a 50% discount. From the Downtown Garage, people can use their MST bus passes to get around Monterey, New Monterey, and Pacific Grove. For more information go to: <http://mst.org>

A Year in Photos

Salinas 'hoods await traffic changes

MacGregor "Goya" Eddy, For The Salinas Californian 5:04 p.m. PDT September 15, 2016

(Photo: Provided)

Tired of cars speeding through their neighborhood, the residents of Creekbridge in Salinas who live along Little River Drive won preliminary city approval last week for traffic calming measures.

On Sept. 8, the Salinas Traffic and Transportation Commission approved the long anticipated action.

Three neighborhoods had requested that the city take steps to slow traffic. This is the first year since 2009 that the city budget has had any funds for traffic calming, according to James Serrano of the city Public Works Department.

Frank Bellafore, a Little River Drive area resident, described the concern to the commission.

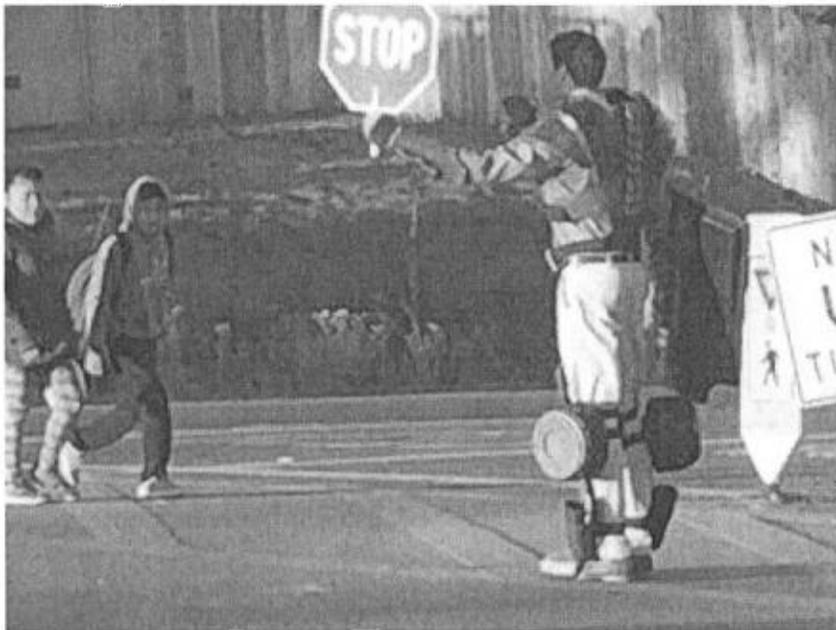

"We call it the Little River Speedway," he said.

Bellafore said resident Yolanda Hayes have been working for two years on the traffic calming application process. City staff confirmed that, yes, the speeds were excessive on Little River Drive; drivers try to avoid traffic from Boronda Road would use it as a shortcut. The calming plan calls for speed cushions (formerly known as speed bumps) to reduce speed and traffic volume. Serrano said "The people who use Little River Drive as a shortcut will not use it if there are speed cushions."

A second neighborhood request from Rosarita Drive residents near Natividad and Bernal roads also received provisional approval from the commission for traffic calming. However, a third request from the Monte Bella area near Williams and Bardin roads failed to meet the requirements. City staff said that of 490 affected households, only 180 responded to a survey. Serrano explained that the city cannot install expensive traffic calming measures in a neighborhood if there is a chance that the residents later will demand that the speed cushions be removed.

The two approved traffic calming proposals will go to the Salinas City Council in October for final approval.

If you suspect that cars are zooming through your neighborhood, take a look at the recording of the Sept. 8 traffic commission meeting for ideas on the application process. The recording is available on the Salinas Channel on YouTube, or call Salinas Public Works at 831-758- 7241. Let your City Council member know if you want traffic calming included in future city budgets -- and talk to your neighbors to drum up support.

A look at Cultura's menu—\$4 peanuts to \$150 caviar—and wine list.

>

Quick Bites: Jacques Pépin incoming, huge hookups, new menus and more.

Mark Anderson 18 hrs ago

Jacques and Claudine enjoy an engaging and pretty darn funny rapport.

The dude who as affected a whole generation of chefs and eaters alike, including his own daughter **Claudine**, is coming to Carmel.

Anthony Bourdain ranks among those educated and inspired.

"**Jacques Pépin** is the master," Bourdain says. "The undisputed authority on, well, just about everything related to food. If Jacques tells you this is the way to make an omelet or roast a chicken then, for me, the matter is settled."

After more than 25 cookbooks, 14 acclaimed public television shows, Jacques Pépin has taken to the road with his cooking show, a version of which drew rave reviews at **Pebble Beach Food & Wine**.

The presentation with chef and wine educator Claudine, is called "Heart and Soul," and happens 8pm Saturday, Oct. 8, synchronizing with the **Taste of Carmel** weekend (see below for more).

The live demo (\$59-\$79, 620-2048) comes in support of his latest book *Heart and Soul in the Kitchen*, which was released in fall 2015, as well as his recent final **KQED** TV series of the same name.

More food news nibbles appear below:

- The **Monterey County Hospitality Association** has partnered with **Monterey-Salinas Transit** to provide free transit passes to hospitality employees. Each MST Basic GoPass, valued at \$95, allows unlimited travel for 31 days on MST bus lines that normally cost \$2.50 or \$1.50 per trip. More information can be found at: www.mst.org
- **Mulligan Public House**, from the same team that ran Brophy's Tavern for years, is on the fairway—and on course to open—mid-October after making it through the Carmel planning commission.
- **Cafe Lumiere** (920-2451) in downtown Monterey is introducing new powerhouse healthy lunch and brunch items like garden-green sandwich and a superfood salad.
- **Sanctuary Beach Resort** and its **Kula Island Ranch Steakhouse** in Marina are getting an overhaul after being purchased by Pennsylvania-based REIT Hersha Hospitality Trust. The very vague details include "an exciting new chef-driven dining outlet [that] will utilize the area's best

MONTEREY
Grab life by the moments.

Visitor Services

Continues to Influence Room Nights

The MCCVB's Visitor Services Team continues to influence overnight visitors at the Monterey Visitors Center.

In August, we influenced an additional 12,445 incremental room nights; an 8% increase over the same time last year.

MCCVB's Annual Luncheon a Big Hit!

MCCVB's Annual Luncheon took place on August 25, 2016, at the Monterey Plaza Hotel. It was a huge success with almost 300 partners attending and showcasing their businesses. We also honored retiring Congressman Sam Farr and

MCCVB Landing Page for Soberanes Fire Updates

The MCCVB has been monitoring the latest updates on the Soberanes Fire, and we have created a Soberanes Fire Travel Alerts landing page on the website with the most up-to-date information on evacuations, park closures, road closures and more. You can visit the alerts page [here](#).

Fall Sweepstakes Launches

"Marathon of Moments," our fall sweepstakes, has officially launched! In an effort to showcase all of the different activities and paces Monterey County has to offer, we are featuring 5 unique prize packages. The prize packages (aka "paces") are: Fuel Up, Outdoor Sprint, Team Relay, Scenic Stroll and Recovery. Visitors will be able to "pick their pace" and enter to win an inclusive vacation to Monterey County! Help us spread the word by sharing our page SeeMonterey.com/Moments.

Monterey Classic Car Week

For the second year in a row and in conjunction with event planners and stakeholders, the MCCVB hosted the Car Week Communications Task Force which came together to collaborate on the traffic impacts of Car Week. With the Soberanes Fire still a threat, the task force also worked with California Highway Patrol, Cal Fire and local officials to educate visitors who were planning on attending with the latest information and encourage them to be mindful and respectful of fire personnel.

This year, the MCCVB also created an interactive map on the website and distributed 'Your Guide to Navigating Car Week' to the media. As a result, the MCCVB received more than \$8K in local earned media coverage, and there were over 5,800 unique views during the month of August.

Holman Highway 68 Roundabout Update

Construction is well underway on the new Holman Highway 68 Roundabout. Crews have begun the earthwork stage of construction, and activity will be more noticeable from the road as you drive through the construction zone. Drivers should expect increased delays traveling through the area of Holman Highway 68 and Highway 1, and plan on giving yourself an extra 10-15 minutes.

You can sign-up for Highway 68 Roundabout email notifications at tamcmonterey.org to receive a weekly look-ahead with information on road closures, detours, traffic conditions and more. To help alleviate congestion during construction, MST is selling a deeply-discounted monthly pass for those who live and work in nearby communities. To see if you qualify, please visit MST's [website](#). For those who have purchased the reduced bus pass, the City of Monterey is also offering a monthly packet of 20 entries for the East Garage for \$20, a 50% discount. Please call the Monterey Parking Division at 831-646-3953 for more information.

75th Anniversary of the Monterey Regional Airport

The Monterey Regional Airport is celebrating its 75th anniversary on Saturday, October 1, 2016, from 11am – 3pm at the Monterey Jet Center. The public is invited to attend this special family-friendly celebration, which will include new and vintage planes, food and drinks and plenty of activities. Admission is free! Please check out the flyer for more information [here](#).

Ciclovía lets you walk or run to better health

Jeff Mitchell, Community Health Reporting Project 7:57 a.m. PDT September 27, 2016

The 4th annual Salinas Ciclovía will happen Oct. 9 on Alisal Street from 10 a.m. to 2 p.m.

(Photo: Provided)

In an era when people find themselves bombarded by all sorts of messages from all sorts of sources, it's pretty easy to get jaded and tune it all out.

That's why the teenage volunteers of Building Healthy Communities East Salinas are making the big gesture of closing down a major street on Oct. 9 in the heart of Salinas.

The street closure event, better known as the 4th annual Ciclovía, will see 1.5 miles of normally bustling Alisal Street -- from Main Street to Sanborn Road on Oct. 9 -- made the exclusive domain of walkers, runners, joggers and bicyclists -- just about any mode of transportation that's human powered.

The Salinas Ciclovía, which will run from 10 a.m. to 2 p.m. is taken from the Spanish term for "bike path" and is an idea lifted from Bogota, Colombia who is 1976 is credited for shutting down some of its streets to promote health and exercise.

THE SALINAS CALIFORNIAN

Jeff Mitchell: Insulin makers, stop gouging patients

(<http://www.thecalifornian.com/story/news/2016/09/02/civic-chronicles-jeff-mitchell-insulin/89794908/>)

Since then the idea has caught on in many cities around the world including San Francisco which runs about 10 Sunday Streets programs a year.

According to Alejandra Silva, a local Building Healthy Communities intern and an organizer of this year's event, Ciclovía Salinas will feature a range of fun activities for participants of all ages, including:

- Live entertainment,
- Fitness and dancing classes,
- Informational booths
- Art galleries
- Raffles

Bike valet service will be available at the event, as well as a children's area.

Silva noted that Ciclovía Salinas is made possible with support from the City of Salinas, the Community Foundation of Monterey County, the California Endowment, Building Healthy Communities East Salinas, Salinas Valley Memorial Healthcare System, and Monterey-Salinas Transit.

(Disclosure: The California Endowment is the main funder of the the Californian Media Group's Community Health Reporting Project.)

Dr. Dana Kent of the Natividad Medical Foundation said she is a big supporter of Ciclovías.

"I got to participate in Ciclovía in Bogotá, Colombia a number of years ago. It takes place on Sundays and it was such a joyful, fun event for people of all ages. I learned that a side benefit was a marked improvement in air quality in Bogotá by having the Ciclovía street closed to motor vehicles," Kent said.

Kent's colleague at NMC, Dr. John Silva agreed.

Silva said NMC will have a team at Ciclovía again this year and is partnering in a health booth with the Monterey County Health Department and Walgreen's Pharmacy (Sanborn) to provide bicycle helmet safety information.

Silva said they also will be providing free flu vaccines and a raffle for two bicycles donated by Dr. Wendell Harry. NMC's team includes volunteer Family Practice Residency physicians and volunteers from Alisal High School's Health Academy and CSUMB's pre-medical program.

"Ciclovía provides an opportunity for people to try recreational activities, perhaps even discovering something new. Studies show a person is more likely to stick with a physical activity if he/she enjoys it," Kent said.

And, naturally, both Kent and Silva agreed that physical activity has many benefits, including lowering weight, blood pressure, and cholesterol; lowering the risk for heart disease and stroke; and lowering the risk of certain cancers.

The doctors said physical activity can also help decrease stress and depression, improve one's energy level and quality of sleep, improve muscle and bone strength, and improve balance. It may also help improve memory.

Kent and Silva said they also hope the event stimulates more people to watch their weight and to exercise each day with an eye toward the prevention of diabetes -- a coming tsunami of the chronic disease is expected to hit Monterey County over the next five to 10 years.

For more information about Ciclovía Salinas, please contact Alejandra Silva at (831) 717-1384 or email CiclovíaSalinas@gmail.com, or visit Ciclovía (<http://Ciclovía>) Salinas's Facebook page.

Californian reporter and columnist Jeff Mitchell covers community health and life in the Salinas Valley. His work is supported by a generous grant from The California Endowment. Email him at jemitchell@thecalifornian.com. Follow Mitchell on Twitter @CivicChronicles
