MST RFP #23-02
SURF! Busway and Bus Rapid Transit Project

Addendum 1

This Addendum 1 to the above referenced RFP clarifies sections of the RFP noted below. When reading the RFP, proposers should acknowledge and reference the section below. Other than those specifically listed below, no other sections, terms or conditions of the above cited solicitation are being modified at this time. All other sections conditions and language not specifically cited as altered below are still in full and original effect.

4.2 Proposal Format and Content

4.2.3 Technical Proposal

a. Qualifications, Related Experience and References of Proposer

(3) Provide a minimum of three (3) **transit/busway/BRT reference projects** from public owners preferably from CM/GC or other best value projects.

5.1 Evaluation Criteria

5.1.1 Experience of Project Manager, key personnel and project commitment: Experience of the Project Manager and key personnel in delivery of CM/GC projects, **other best value projects, and/or transit/busway/BRT projects**, with an emphasis on key individuals experience on similar transit projects **is preferable**. Time and location commitments of Project Manager and key personnel to the Project.

5.1.2 Past performance: Previous experience with **transit/busway/BRT projects** with emphasis on projects of a similar scope and nature, CM/GC projects and **other best value projects is preferable**. Performance including ability to reach a TCP, schedule and cost delivery, owner and public coordination and claims history for each project **will be evaluated**.

5.2 Technical Evaluation Criteria

The following Technical Evaluation Criteria will be considered as designated above:

5.2.1 Experience of Project Manager, key personnel and project commitment: Demonstrate the experience of the Proposer, PM and key personnel in the delivery of **transit/busway/BRT projects with preference for CM/GC or other best value** projects including Pre-Construction Services, successful negotiations of TCP, and completion of construction. Provide the time commitment, core tasks and responsibilities, and locations of the PM and key personnel on past projects.

5.2.2 Past performance: Provide a brief narrative of examples within the last ten years of similar **transit/busway/BRT** projects completed or in construction by the Proposer. Preference will be given to projects implemented by CM/GC **and/or best value projects**. List the project name, owner, owner's contact, work performed, current state of construction, construction cost and schedule delivery status, and number of construction claims and claim status for each project. Also identify the individuals from past projects to be assigned to the Project.
